WINTER 2020

Instructor: Alexandria Smith
Course Title: Introduction to Gender, Race, and Sexuality
Course #: 01:988:101 S93
CMS: Canvas

This class uses black feminist writing to introduce students to core topics in women’s and gender studies. In this class we will explore fiction, essays, theoretical texts, and visual artworks created by black women and gender nonconforming people in order to ask students to consider and discuss relationships between identity, experience, and social structure.
